

Batavia City School District Parent and Student Good Faith Agreement for Bus Safety

We agree that riding a school bus and being a safe bus rider is of utmost importance. Every student has the right to enjoy a safe bus ride to and from school without the worry of unsafe actions or harassment from other students. It is understood that each student bus rider will be held accountable to the school bus safety code. We have read and understood the Bus Information/Regulations/Safety sheets and agree in good faith to abide by them.
