

Goals of the St. Regis Public School District

Goal Area 1: Technology

Statement of Intended Outcome, Five years: We have been strategic in our approach to integrating technology in the classroom to enhance student learning. As a result of our efforts, we have systems in place that provide students and staff with access to contemporary technologies while maximizing the resources we expend on technology.

Goal Area 2: Rigorous and Individualized Academic Opportunities

Statement of Intended Outcome, Five years: The academic opportunities available to our students are vast, rigorous and individualized and are designed to meet the needs of each student, enhance the talents and aspirations of each student, and to enrich the overall educational experience for all of our students.

Goal Area 3: Student growth and responsibility

Statement of Intended Outcome, Five Years: We have successfully developed a culture where students take part in the development of their own education plans and take ownership of their successes and failures. As a result of this shift in culture, our students understand and appreciate the value of education and how that plays a vital part in their success in life.

Goal Area 4: Community Involvement

Statement of Intended Outcome, Five Years: Through our efforts, we have enhanced our relationship with the community and with the parents of our students through outreach initiatives and open communications. Our schools are inviting and are viewed as the center of our community. The level of volunteerism in our schools is at an all-time high.

Goal Area 5: Facilities

Statement of Intended Outcome, Five Years: Through our planning process, we have adequately maintained and maximized our present facilities to enhance the educational environment for all students and ensure that the school is a safe and healthy learning environment.

Goal Area 6: Highly Effective and Committed Staff

Statement of Intended Outcome, Five Years: We have successfully embarked on a program of recruiting and retaining highly effective and committed staff. As a result of our efforts, our staff are enthused and fully support our initiatives and are students are achieving at unprecedented levels.
