

Professional Compensation

Any teacher who enrolls in and successfully completes approved-by-the-Board courses related to his/her instructional responsibilities at a National Council for Accreditation of Teacher Education accredited college or university shall receive from the Board sixty-one dollars and three cents (\$61.03) in 2020/2021 per semester hour earned beyond professional certificate requirements. This amount will be paid twice each school year in September and in February.

Teachers must submit official transcripts to the Superintendent's Office to qualify for payment. Transcripts must be submitted by September 30th to be paid in October or in the month of December to be paid in January. There will be no reimbursement for classes submitted over one year after completion.
