

PARAPROFESSIONAL

This position can be combined (but not required) with transportation or the kitchen position, which could include driving a short bus or regular vehicle to transport learners which will assist the district with its shortage of bus drivers. You may be provided a regular school vehicle to transport learners to and from school which could be kept at your residence. You would be paid \$20/hour for driving with a minimum amount guaranteed daily no matter the hours you drive. It would give you the potential of making at least an additional \$1,000/month. The position includes insurance, personal and vacation leave, and retirement. You would follow the school schedule.
