## It's Summer Rec registration time!

Please complete and return the registration with payment to **Andrea Sinclair, 15055 24<sup>th</sup> St SE, Erie, ND 58029** or you can complete registration online at:  
[https://docs.google.com/forms/d/e/1FAIpQLSeyX5UH1PvVIBquZNicxXqLqn1XZMx-htxtIREDouFtudunoA/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLSeyX5UH1PvVIBquZNicxXqLqn1XZMx-htxtIREDouFtudunoA/viewform?usp=sf_link) and mail payment to address above.

Receiving your registration early is **very important** for coaches and managers to properly prepare for the season, so **please don't delay, register today**. Identification of the number of teams in each level we need to register with our leagues is key to ensuring appropriate team sizes. Lack of participation may result in cancellation of a sport category and collected fees will be returned if that occurs. The registration fee also will be refunded if you need to withdraw your student before the season begins.

Deadline for registration is **April 1**. Registrations received after April 1 will be accepted until teams are full and are subject to late registration fees according to the schedule below. Students who have not settled their fees by the first game jeopardize their opportunity to play. Family limit for fees is \$300, but there is no maximum when late registration applies.

The success of the pizza sale fundraiser (annually \$8,000 to \$10,000 profit) has been paramount in allowing us to offer these programs at reduced participant expense. We also are greatly appreciative of generous donations. Keep up the good work when volunteer requests and the fundraiser information are distributed. These activities raise almost half of the annual expenses of the youth programs.

Uniform tops are provided by the Summer Recreation Program. However, personal clothing items, such as shirts with names or caps **might** be expected for some sports. Players must provide their own pants. Check with your coach for style. Paying for these items is the responsibility of the individual. If you would like a cap, please contact your coach. Caps are available while supplies last.

Contact information for board members assigned to each age group is listed on the back of this page. Please reach out to the designated contact first with any questions regarding registration.
