- 18. Parent Guidance:** Welcome back to school! As a district/organization, we invite you to share our monthly mental health newsletters with families you serve. Feel free to copy and paste or edit this messaging to meet your needs. Thank you for all you do for children and their families! As we welcome families back to school, we hope you were able to take some time over the summer to enjoy moments with your family and friends. As you are preparing your students to begin another school year, we want you to remember the importance of parental mental health. The [August Mental Health Newsletter \(English\)](#) [\(Spanish\)](#) emphasizes the importance of parents' mental health and outlines steps for healthy coping strategies. As a caregiver to children, it is important that you take the time to care for yourself as well!
- 19. Parent Resources:** Check out the [ParentGuidance.org](https://www.parentguidance.org) resources where you can access free courses led by licensed therapists on more than 50 topics. Check out the course titled, [How to Develop Self-Compassion](#), by Dr. Paul Parkin. To access the course, login by creating or using your username and password to ParentGuidance.org.

Excuses don't help  
make things better.

They only offer a rationale  
to avoid trying.
