

BFA PARENT FALL GAME PASS GUIDELINES

To: Fall Team Parents

Re: Game Passes

Thanks for your patience as we navigate our way through the State of Vermont restrictions of spectators at our events this fall.

We recognize that two tickets per player creates hardships with childcare at home as well as parents in different households not being able to watch their children perform.

For the remainder of the Fall Season we will provide 5 tickets per player for HOME EVENTS only to be used by immediate family members only. Youngsters can accompany their family and not be counted among the 5 passes. They must arrive with, and stand with, their families while attending the game. Hopefully, this eliminates the need for a family to provide a babysitter while they watch their children perform during an event.

AWAY EVENT guidelines are at the discretion of the hosting school which is usually two tickets per player!

Everyone in attendance must follow the COVID 19 Vt Guidelines:

- **All spectators have followed all VT travel restrictions and quarantine requirements**
- **Facial covering is required by ALL spectators over the age of two.**
- **In the past 14 days spectators have NOT been in close contact with anyone with COVID 19 symptoms.**
- **Please stay home from the games if you are sick or have a temperature above 100.4 degrees F.**
