

October 8, 2020

Dear Parent/Guardian:

The Dade County Health Department will be on-site providing FREE influenza vaccinations on Wednesday, October 21, 2020 beginning at 9:00 a.m. for all Greenfield R-IV students grades PK-12. We will attempt vaccination on the younger students, but if they get too upset or fight it, we will notify you and their immunization will be reserved at the Health Department for you to take them to get at a different time.

Please find attached an Influenza (Flu) Vaccine Information Statement for your review and a consent form to be completed. **ALL** requested information **MUST** be completed and the history/consent form returned to school by Thursday, October 15th. You will need to sign the school consent form (on back of this paper) **AND** fill out the top and sign on the X on the State Health Department history/consent form. **Please return both papers.**

**Participation in this clinic is voluntary. Your child will NOT be given a vaccine without your consent. The vaccine is free regardless of insurance status.*

If you have questions about the flu vaccine, please contact Dade County Health Department at 417-637-2345.

Thank you,

Nurse Natasha 😊

Natasha Myers, R.N.
Greenfield R-IV School Nurse

Consent to Vaccinate for Influenza

Student's name _____

Grade/Teacher _____

Does your child have an allergy to eggs or egg products?

Please circle: YES or NO

Has your child ever had an allergic reaction to a past influenza vaccine?

Please circle: YES or NO

If yes, please explain:

I, _____, give permission for my child to receive a vaccination against influenza, to be given while at school, by the Dade County Health Department nurse. I have read the attached vaccination information sheet and understand any possible risks/side effects associated with this vaccine.
