Description:

Facilitates student learning in a stem-centric, early college learning environment targeting college readiness for 9th through 12th grade students from a variety of districts. Engages in deep professional and personal development in order to become a leader of educational change.

Minimum Qualifications:

Licensure in Physical Sciences –Adolescence to Young Adult

Responsibilities and Essential Functions:

- Provides personalized instruction & coaching to students in a mastery-based learning environment.
- Conducts on -going assessment of student progress and adjusts instruction & coaching accordingly.
- Provides services which implement the education mission of Metro Institute of Technology
- Works collaboratively with other instructors to construct and maintain a high quality learning environment
- Works collaboratively with students and their families to optimize learning.
- Analyzes records to identify students' immediate & long-range needs.
- Utilizes student assessment results & approved course of study to develop lesson plans for assignments & activities that meet identified student needs.
- Counsels each student regarding his/her academic & behavioral progress. Implements all institutional policies.
- Plays multiple roles beyond the classroom including student recruitment and admissions, new program development, communication with multiple districts, partnership development with outside organizations, website management and collaboration with other center initiatives.

Salary:

Commensurate with experience.

Reports To:

Superintendent of Metro Schools- Meka Pace

Application Procedure:

Please send cover letter and resume to employment@themetroschool.org.
