07/01/2023

Position Summary: The Science teacher works in collaboration with fellow Metro Schools teachers to facilitate student learning in a competency-based environment targeting high school & college readiness in Science for 9th through 12th-grade students. The Science teacher is an expert user of electronic communication and is enthusiastic about using existing and emerging technologies to enrich the educational experience of students and the professional environment of the school.

Key responsibilities/outputs:

Teaching and Advising

- Establish and communicate clear objectives for all learning activities.
- Take attendance each period and monitor students during outside classroom times.
- Instruct and monitor students in the use of learning materials and equipment.
- Use relevant technology to support instruction.
- Observe and evaluate student's performance and development.
- Encourage and monitor the progress of individual students.
- Manage student behavior in the classroom by establishing and enforcing rules and procedures.
- Build relationships, as well as help students develop life skills, positive character traits, the Metro Habits, and more.
- Help students grow into solid, independent thinking citizens.
- Provide student support, counseling for students with academic problems and provide encouragement.
- Prepare students for high school coursework.

Curriculum

- Design and implement curriculum for students at a variety of Science Standards skills levels and backgrounds.
- Prepare lesson plans that teach state standards and core objectives and principles that are relevant to future education and that demonstrate how this knowledge is useful in the real world.
- Manage, plan, prepare, and differentiate class activities that facilitate active learning experiences.
- Provide a variety of learning materials and resources for use in educational activities.
- Update online class materials using Schoology.
- Modify units and adapt them to current classes.

Administrative and Other Duties

- Observe and evaluate student's performance and development.
- Assign and grade class work, homework, tests, and assignments.
- Maintain accurate and complete records of students' progress and development.
- Prepare required reports on students and activities.
- Participate in extracurricular activities such as social activities, clubs, and student organizations.
- Participate in department and school meetings, parent meetings.
- Actively engage with parents.
- Communicate necessary information regularly to students, colleagues and parents regarding student progress and student needs.

Minimum Qualifications:

Licensure for the HS science grades 7-12

Salary:

Commensurate with experience.

Reports To:

Krista Miller, High School Principal, Metro Early College High School

Application Procedure:

Please send cover letter and resume to employment@themetroschool.org.
