## Parent-Teacher Conferences

Kids do better in school when parents are involved in their academic lives. Attending parent-teacher conferences is one way to stay informed. The conferences are a chance to start or continue conversations with your child's teacher, and discuss strategies to help your child do his or her best in class. Meeting with the teacher also lets your child know that you are interested in their school life. Keep in mind that parents or guardians can request meetings with teachers, principals, school counselors, or other school staff any time during the school year.

## REMINDER!!!

**When dropping your kids off in the mornings, please drop them off at the north doors. Students walking in front of buses is very unsafe.**

If you make a transportation change, please send a note, call the school, or email
