Good evening EGF Parents and Staff Members,

I am sending this message to ask every parent to take a few minutes to review the information at the following links.

[Home Screening Tools for COVID-19 Symptoms](#)
[COVID -19 Attendance Guide for Parents and Families](#)

We need EVERYONE to symptom screen at home and follow the quarantine requirements. We have had some children come to school when they have been exhibiting symptoms and/or when a person in their household has tested positive and/or exhibiting symptoms. We really need everyone to strictly follow the guidelines in order to keep everyone safe and stay in school.

THANK YOU for your cooperation! It is greatly appreciated!
