## STUDENT COUNCIL/PBS ASSEMBLY

The Student Council helped put on our first PBS Assembly for this year. Due to COVID, we have not been able to have any assemblies. However, with the nicer weather, we were able to do a PBS assembly outside on the football field. Student names who've earned Caught Being Good Cards were drawn for a free ice cream cone from the C Store. Students meeting reading goals

were recognized. The Student Council lead the students in a cheer. It was a

fun event for all!

#### **NEWS FROM THE NURSE:**

This first quarter has gone better than I could have ever imagined in light of all the constant changes surrounding COVID. We appreciate everyone's openness and honesty regarding COVID testing and exposure, and keeping your kids home when necessary. We encourage you to continue to do so as we enter second quarter, and influenza season. Now is a great time to get your flu shots!

If you have any questions about your child's illness and need guidance on whether or not they should attend school, please don't hesitate to email me. I frequently check my email, when I'm not working at school as well.
