

High School Enrollment for 2021 - 2022

If you are interested in your child attending a Greenville County High School, please see the information below regarding open enrollment for 2021 - 2022.

This year, due to social distancing requirements in schools, Greenville County School magnet academy's will offer a Magnet Open House video posted to their school's main website. These videos will explain the magnet application process as well as provide more information about the school's program. Please see video release dates below.

Live Virtual Meeting on Tuesday, October 20th @ 6:00 pm
(*recording posted on school website on Wednesday, Oct. 21*)

MagnetAcademyApplications

The first GCS Magnet Academy Application Window will open November 2-30, 2020. Magnet applications will be available Monday, November 2, 2020, on the GCS magnet website:

<https://www.greenville.k12.sc.us/Parents/main.asp?titleid=magnet>

Lead Academy families, please remember Lead is not a Greenville County School therefore parents will need to enroll their child at the school they are zoned for, apply for special permission if you would like your child to attend a different school, or apply for a magnet program. Keep in mind applying for special permission and applying for a magnet program are two different things. Make sure you communicate to the GCS that your child is coming from a charter school.
