Never Quite Like This Before

On August 24, 1983 at 8:35 a.m., 643 students scrambled through the hallways searching for their first hour class. Seventh graders are always anxious to begin and the seniors are anxious to end. Numerous students were absent on Jan. 16, due to illness, and rumors of the school being closed were circulated.

Mr. Schad was introduced to his new "Portable" office called . . . "Bill's Place."

A new attendance policy went into affect, and a few just can't seem to adjust.

New students, new fads, old students, old fads, they all blend together to unite us all into one student body.

The new school year will open with a wider variety of decisions to be made. Curriculum changes, earlier starts, and a longer school day are just a few.

The school wants NPHS students to be prepared to go out and face the real world and to be successful.

The student council sponsored a contest to design a school flag. Just another first during our BIG SENIOR year.

It seems the faculty and even some students have been blessed with babies.

Future students of North Putnam???

Happenings during our SENIOR year have made the class of 84 unique. Events that will be remembered and some that would be soon forgotten. The scenes change but . . . ONLY THE SENIORS OF 84 WILL LEAVE NPHS . . . NEVER QUITE LIKE THIS AGAIN!!!

By George I think he's got it.

Coach Brothers just cannot see my plan of action as being the real thing.

Now come on kid, I said "Stop That!"

"I think this could be a mistake.

Tony Pepe gives a pep talk to the student body as the senior Cougar team members listen in.

The 1983-84 football season was a long one. Everyone gave their best to be the best. The Cougar team can say that they are winners at heart.

With the help of the coaches, parents and devoted fans the team finished the year with out a winning record but a record that each player was proud to acknowledge that his effort was always present.

The Cougar team in ACTION!!!!

Cougar Runners Are "Tough"

Cross Country Team—from left Nichols, M. Carter, K. Lawhorn. back row: K. Kays, G. Stevens, B. Moffet, Coach Roach.

Cross Country seems to be a sport that is quite over looked at NPHS. No one knows how much mental and physical hours of practice it takes to run better than the coach and the athletes who participate in Cross Country Competition. The sport draws very few spectators. To all the runners, for their dedication to the sport, we appreciate you!

After a long day Coach Roach offers some enthusiasm.

Two trophies well earned!

Lisa and Kelly proudly display trophies at the awards banquet. MVP and Mental attitude awards for volleyball were presented to the two.

The volleyball season comes and goes as does any sport at NPHS. The spikers ended the season happily. Out go the seniors and the junior high girls are ready to replace any hopeful desires for continuing the winning streak. The goals are set high and the fans are anxiously awaiting the 84-85 season. Good Luck Spikers!

Lisa Hartman, Kelly Beck and manager Francy English will not be returning due to graduation. The Spikers are looking forward to next year after completing this year with the best overall record yet.

Tim Rose and Bill Zeffel have their hands full of awards.

The wrestling team carries all the weight in competition. Thanks to hours of practice, dedication, determination and talent the wrestlers, Coach Roach and Coach Fisher finished the season successfully. Tim Rose brought fame to the team earning 23 wins and only 1 loss.

The student just didn't support the team as it should have. Coach Roach praised his team members at the banquet with a smile from ear to ear. "The 1983-84 Sectional Champs". The wrestlers finished 2nd in county, 5th in conference, 1st in Sectionals, and 4th in Regionals. We are proud of our Wrestlers at NPHS.

When Tim wants his way, he gets his way, or else!!!

Bill Zeffel shows Greencastle that he has the Cougar Power.

Ryan Lathrop wins 3rd place at the regionals in Crawfordsville.

Don't worry, Tim Rose may look out of control but time only tells that he is a true winner!

What did we say! Here Tim puts away a Greencastle wrestler in the County Match.
