Policy Manual	

STUDENT GIFTS AND SOLICITATIONS

Solicitations

The solicitation of donations and contributions from students will be restricted to fund-raising drives approved by the Board.

Any outside organization desiring to distribute flyers or other materials to students in connection with fund-raising drives may do so only with the approval of the Superintendent.

Gifts

Students will be discouraged from the routine presentation of gifts to district employees. When a student feels a spontaneous desire to present a gift to a staff member, the gift may not be elaborate or unduly expensive. The Board will consider as always welcome, and in most cases more appropriate than gifts, the writing of letters to staff members expressing gratitude or appreciation.
