Office of the Principal

Parents and Guardians,

I want to take a minute of your time to explain our procedures for our annual Parent Teacher Conference (PTC) which is set for October 22, 2020. This is reflected on the Westside Consolidated Schools master calendar as starting at 3:30 pm and ending at 8:30 pm. In order to keep the numbers down in the building due to COVID-19, PTCs will be held virtually, by telephone, in most cases. We will be asking our teachers to begin making contact with you in the very near future to arrange a convenient time for you to speak with them about your child. You will receive a Google Form from your child's teacher at the email that you have on file with us through eSchool. You should receive a different Google Form from each teacher that your child has on their schedule. Please note, you will need to fill out each teacher's Google Form that you wish to meet. If you do not receive a Google Form from a particular teacher you would like to meet with, please feel free to contact them directly by email to schedule a time.

I want to say thank you for all of your support during this most unusual time of your child's education. I also want to remind you that Westside High School is open every day for onsite instruction. We understand there are reasons you as a parent or guardian may have chosen to allow your student to attend school virtually. For those of you that have chosen virtual, should you decide that option is not proving to be best suited for your child after meeting with your teachers, we are ready to receive your child back into the onsite classroom at any time you wish.
