

Campbellsport Parents and Students,

Sept. 29

The positive cases in Fond du Lac County and the School District continue to increase slowly. Student and staff absences moved downward here at the schools. So next week (Oct. 5 - Oct. 9) Campbellsport Schools will be forging ahead. High School will remain in the Cohort Model while the Middle and Elementary Schools will keep meeting like they have been.

*We will continue to be vigilant to increase personal hygiene, wearing masks, and practicing distancing. Please help us by keeping sick or symptomatic students at home.
Stay Healthy and Safe!!*
