

# **Cove School District 15**

Code: **JN-AR**

Adopted/Revised: 1/05/99; 8/04/81; 8/20/13; 8/19/22

## **Student Fee Schedule**

### **ASB Fee, K-12: \$10**

All students are required to pay ASB fees. Payment of the ASB fee allows students to participate in athletics and free entrance to non-OSAA-playoff, home athletic contests.

No student may participate in a game until the fee has been paid. Fees are payable at the school office on any school day prior to the athletic season. Hardship cases may be appealed by the parent to the school administrator. Financial assistance may be available upon request.

### **Annual (Grades 9-12)**

Purchase of an annual for students in grades 9-12 is optional. The associated fee must be received by the school prior to the delivery of the annual to the student.

### **Elective Class Fees**

Shop classes and some art classes may require additional purchase of materials depending upon projects chosen by the students. Enrollment in the elective class is contingent upon payment of fees. Fees may be paid at registration.

Families experiencing financial hardship may request a conference with the school administrator for the purpose of determining an alternative means of paying any school fees.
