

Glory Days Alumni Tournament

Cove High School
December 23rd, 2022

The Cove Booster Club is excited to present the Glory Days Alumni Tournament! The goal of this tournament is to celebrate our local communities and their alums, connecting alumni with each other and back to their school, while also helping the booster club raise funds to support our mission. We hope players, staff and community members from the area come out and enjoy the fun of reconnecting. Please spread the word in your communities about the event, let's have a great turn-out!

- This will be a double-elimination tournament, so each team is guaranteed at least two games. **However, the championship will only be played once (team from the winner's bracket doesn't have to lose twice).**
- Games will consist of the following:
 - 10-minute between games (includes ~ 5 minutes for warm-ups)
 - (2) 12-minute halves, running clock, no free-throws
 - Clock will stop in last 2 minutes if game is within 6 points, will shoot free throws
 - 5-minute halftime
 - Each team will have (1) 60-second timeout per half
- Teams are responsible for jerseys. Each team should bring a color and a white. Reach out to your school and see if they have old jerseys.
