FAX: 973-835-2834

October 12, 2020

As we get closer to October 14th, I would like to make sure that everyone is prepared for test day. Please read all of the information carefully.

Doors will be open for students to enter the building at 7:22 AM and testing will begin promptly at 7:30 AM. Once testing has begun, no students will be permitted to enter the building. Students will be permitted to wait in the East Gym and West Gym prior to 7:22 AM, just as they would on any regular school day. We encourage students to arrive at school earlier on Wednesday if possible.

Before arriving at LRHS on October 14, please log into Parent portal and complete the Covid Questionnaire. Failure to complete the questionnaire may delay entrance into testing and/or prevent admittance into the building. Students will be asked to show proof of completion when entering the building. All student will have their temperatures checked at the doors consistent with practices followed on a regular school day.

When in the building, all students must wear a mask at all times. Masks must be worn over the nose and for the entire duration of the test. Students who fail to follow mask protocol while testing may be removed from the test center and their test scores will be cancelled. Refunds will not be provided (if applicable). Students must wear their LRHS ID when entering the building and when traveling in the hallway, but can remove the ID during testing if they wish. The school ID will also serve as your ID for entrance into the SAT/PSAT test.

On test day, testers will be required to bring all necessary testing materials, including pencils and calculators. *Lakeland Regional High School will not provide calculators to those who forget one on test day.* Students with College Board approved accommodations allowing for use of a four function calculator on the non-calculator section must bring their own calculator as well.

Please read over the PSAT and SAT checklist provided by College Board using the links given below:

[PSAT Test Day Checklist](#)

[SAT Test Day Checklist](#)

(For this administration, no Testing Ticket Required)

Student testing rooms are posted by the Fish Bowl and outside the East Gym in the 300's wing for student reference. Students are encouraged to check for testing rooms prior to leaving the school.

Bussing will be provided to eligible students (those that receive bussing on regular school days) after the completion of testing. Busses are anticipated to leave at 12:10 PM, 1:10 PM, and one final bus at the end of extended time to ensure all students are able to get home from testing.

If you have any questions about test day procedures, please reach out to Ken McCurnin at kmccurnin@lakeland.k12.nj.us.
