New Business/Old Business

Summer programs – most schools are opening up starting today. Jay isn't sure what our school has decided. Most schools are trying to see what they can do within their building. Jay hasn't heard anything with OI making any changes to their current program yet either

Spring apparel did come in. Jay will talk to Kelsey about prepping for the fall store. We talked about doing some throw back items with the old block "G". Jay will also talk to Greg/Kelsey about getting more tri-blend items.

Fundraising

Raffle – have ~ 60 tickets yet to sell. Jay will post it on FaceBook to see if we could possibly get them sold by the golf tourney.

Potential to change drawing date for raffle of UTV if all tickets sold early – will have to contact Secretary of State to inform them of date and location change for drawing. By then should know if fall sports will start on time.

GOLF TOURNEY:

17 teams have already committed. Typically, we have 24. He has contacted all other sponsors and is waiting to hear back from them. Jay will contact Ron about stuff to grill – burgers and brats – 100 of each. Sell 2 for \$5.00. Didn't do chips or drink (sent them to the clubhouse for this). Will need to start contacting people to work – grill, hole in one witnesses, etc. Jay to contact Performance Press to get the sign frames. Will also need to get business logos for signage. The clubhouse is currently open at half capacity.

Plan to do Tailgate at first FB game on Aug 28th
