

### Patriot “Project Assist” Program (PPAP)

It is our goal in York prep Athletics to not only coach our students and help them become better athletes, but also to build character and help them grow as people. In doing so, York Prep Academy teams have joined forces in order to give back to our homeless community. As the temperatures begin to drop our homeless community are in great need of items to assist them in surviving during the cold winter months. With that being said each of our teams will be responsible for the gathering of specified items from September 21<sup>st</sup> – October 23<sup>rd</sup>. These donations will be given to our local homeless shelters. Thank you in advance for helping us give back and shaping the lives of these young athletes. If you would like to share in this event, please contact the coach of that respected program. Thank you again for your help!!
