October 13, 2020

Parents and Staff,

Nixon-Smiley CISD was notified today that an employee who works for Nixon-Smiley High School has tested positive for COVID-19. However, the employee has not been on campus since September 24, 2020. It has been determined the end of the 14-day incubation period for exposure on campus would have been October 9, 2020.

As always, we advise you to monitor your health and contact your primary care physician if you develop symptoms.

We hope for a successful recovery for our Nixon-Smiley CISD staff member.

Sincerely,

Israel Jimenez
Human Resources
