Re: Remote Learning

If you are receiving this memo, you have chosen the full remote learning model for your child. Remote learning will look different from in class instruction, but will continue to develop and take on more in class virtual opportunities as students working in the classroom under the hybrid model become more fluent with the routines and expectations of schooling during this pandemic. **Materials (including laptops) will be ready for pick up on Thursday, 9/3 and Friday, 9/4 between the hours of 8:00-3:00. Please call the office when you get to the circle and we will bring them out to your car.**

What you can expect from the Remote Model:

1. Daily recorded lessons from your teacher on your core subjects
2. Work assigned daily through Google Classroom
3. Feedback on completed work provided in a reasonable amount of time
4. Wednesday Flex day to participate in P.E., Music, Art, Guidance, Computer Technology and World Language (grades 5-8)
5. Daily check-ins with a staff member that will provide assistance and feedback. If the staff member is unable to help, he/she will get the answers and check back in later.

Current Staff Members Providing Remote Support:

| | |
|----------------|--------------------------|
| Pre K/Grade K: | Mrs. Rhonda Merry |
| Grade 1/2: | Mrs. Patti Chevaree |
| Grade 3/4/5: | Mr. Meehan |
| Grade 6/7/8: | Mrs. Miller/Mrs. Stevens |

It will be important that your child access his/her google classroom and check emails daily. Parents of students in grades PreK-5 will be cc'd on all emails in order to assist with connectivity. Checking your teacher's blog will be another avenue for keeping updated on what is happening and what is being expected for work.

Please remember, during the virtual opportunities it is important for your student to be focused and prepared for his/her check in/lesson. Signing in to the meeting "on time", having an area to work that is free of distractions (no t.v., toys, etc), and having materials available to take notes or complete work will only enhance your child's learning experience.

As always, if you have any questions, please don't hesitate to call the school and we will direct you to the person that can answer your questions.
