

**Is your student bringing a packed lunch
to school?**

**Students can now go through
the cafeteria serving line and
get FREE items to add to
packed meals!**

Students must take at least THREE items and
one of them has to be a fruit or a vegetable!

So for example, a student can get a milk, an apple and a
package of grahams or a dish of baby carrots to have with a
packed lunch and it's FREE!

*Students can always pay to get a milk, extra fruit or vegetable
but why! Get them for FREE!*
