MISSION STATEMENT – Guidance for General Operations

The Regional Office of Education (through the Regional Superintendent) will be responsible for creating, developing and maintaining a mission statement which guides and directs the day-to-day operations of ROE #9 and all of its entities. Further, it is the responsibility of ROE #9 to:

- review the mission statement and revise it on a four-year cycle as determined by the Regional Superintendent, and
- place and display the mission statement in the employee handbook, Regional Office of Education Policy, Regional Office of Education website (www.roe9.org), and other forms of communication including letters and emails.
