

GENERAL ADMINISTRATIONMONITORING SYSTEM FOR PROGRAMS AND SERVICES – FOR Quality Assurance and Programs for Quality Insurance

The Regional Superintendent is responsible for monitoring the development of programs and services and evaluating their effectiveness as it relates to the purpose(s) of the Regional Office of Education.

Regional Office of Education maintains multiple projects and programs during any fiscal year. Therefore, it is necessary for the Regional Superintendent and administrative team to periodically monitor each project's/program's conformity to its design, program implementation, and the extent to which it reaches its intended audience.
