

## **Grandview Students Summer School Options 2023**

Due to the low enrollment for on-campus summer school, we have decided to offer virtual-only summer school for Kindergarten through 12th grade this year. Anyone interested in enrolling their child in virtual summer school, which will be taught by mostly Grandview staff, please follow these links:

Elementary: [https://bit.ly/elem\\_summer\\_school](https://bit.ly/elem_summer_school)

Middle School/High School: <https://www.grandviewr2.com/o/ghs/page/virtual-summer-school>

We have also reached out to the Hillsboro and De Soto school districts, and they have agreed to allow any Grandview elementary and middle school students that want to attend an in-person program to enroll at their districts for summer school this year. Parents will be required to provide transportation to and from school. We want to thank both districts for giving our students this option. Below are the links for the Hillsboro and De Soto summer school information:

Hillsboro:

- [7-8 Information and Registration](#)

There are also several day camps available during the summer. Below are a couple of options for summer camps:

YMCA (Day camps still have availability, and they start the first week of June.)

- [Day Camp Information](#)

Rocking J Horse Camp (Has availability the first two weeks in June.)

A listing of the extended URLs for the above links can be found on the second page of this document.

We apologize for any inconvenience this causes, and hope that enrollment increases in the coming years so we can offer this much needed service again!
