Athletic/Activity Registration Website Directions

All Cameron Athletes will need to use the RSchool Athletic registration link to sign up for and fill out all required paperwork for the upcoming school year.

<https://cameronsd-ar.rschooltoday.com/>

Half way down the page is a button that has some sporting equipment on it. It says Athletic Team Registration. Click on it and it will take you to a screen that says Returning user or New User. If you had an account last year **do not create a new one**. It will not allow you too. Please keep log in Information in a safe place for future reference. Proceed through the site and answer the questions and sign the forms.

*******If you have turned your physical into the office it will be uploaded to the site for you, if you have not you may upload yourself, and then turn it into the Athletic Director's Office.*******

Please make sure all questions that are required are answered.

You are not done until you have HIT THE SUBMIT REGISTRATION Button on the last page after the upload of the physical page and after you have signed all the forms.
