

NCPS Orange Protocol

Calendar

Students are placed in their A-K or L-Z group based on the last name of the YOUNGEST child within a house-hold.

- Parents and visitors are not allowed to visit during the school day
 - Student check-in/out via phone
- No outside groups will be able to utilize district facilities
 - students can attend after school clubs on the day they attend “in-person”.
- School sponsored activities will continue.
 - Visitor / spectator restrictions will be increased.
- Attendance will continue to be taken for in person and at-home learning students.
 - A student completing work at home will be counted as “Present” if they provide evidence of work completion as assigned by the teacher.
 - Examples include but are not limited to:
 - Turning in independent practice assignments while at home in google classroom, email, SeeSaw, or as directed by the teacher..
 - Bringing completed assignments back to school the next day the student has in-person class and turning it in.
 - Attendance tracking may be updated retroactively for students that turn work in during their in person session.
 - For example: *Student 1 is assigned a worksheet of review material on their home learning day. The teacher counts them absent on the home learning day but changes it retroactively when the student comes to school the next day with the assignment completed and turned in.*
- Seating will be stationary, to the extent possible in a classroom setting.

The calendars on the next page identify the schedule for attendance. This information can also be located on the Nebraska City Public Schools District website by clicking “Menu” and then finding the COVID Resources section. It can also be accessed in the “Documents” section in the Covid-19 Resources folder after clicking the Menu button.
