Friday, October 16, 2020

Dear Lockland Local School District Family:

The peak season for illness is upon us and we want to minimize the spread within our school community. Please help us to keep our schools open throughout the flu and virus season.

Reminder:

Masks are mandated.

Please make sure your child arrives to school wearing their mask as they enter the building. All students in grades K-12 are required to wear masks while at school per the guidance and an executive order issued from our Governor.

Stay home if sick: To help limit the spread of COVID-19 and/or the flu as well as other germs, children should stay home from school and other activities if they have any signs of illness or a fever. Contact your doctor if you have questions.

You should monitor your child each day for signs of COVID-19. These include:

- Fever
- Nasal congestion or runny nose
- Cough
- Sore throat
- Shortness of breath
- Fatigue
- Headache
- Muscle aches
- Nausea, vomiting or diarrhea
- Poor appetite
- New loss of taste or smell

Please notify the school attendance line each day your child will be absent. Your student may return to school after 24 hours fever free without the use of fever-reducing medications and when symptoms have improved. Students who develop symptoms at school will be sent home.

Thank you,

Jen Schierloh
District Nurse
