P.O. Box 842
Richfield Springs, NY 13439

APPLICATION DEADLINE - May 1st

DIRECTIONS:

The Dean Robertson Memorial Scholarship (\$200) is given to a graduating senior who best exemplifies the qualities of dedication, perseverance and determination, and who demonstrates the kind of strong work ethic that Dean Robertson displayed throughout his life.

For this award, write a short biography. For the first part of the biography, give your name and address, phone number, family information, etc. Then make three other categories according to the scholarship criteria.

Section I: A paragraph telling about your dedication to something. It could be school, your family, a team, or some other organization or activity. The paragraph tells about how you display dedication.

Section II: Tell about a time when you showed perseverance and determination. Perhaps you were in a difficult situation; maybe you had a deadline that was looking too difficult to make; maybe you climbed a mountain. In what one way have you shown you have the qualities of perseverance and determination?

Section III: What has been your history of work?
What jobs have you held? OR What jobs would you like to hold in the future and why?
What do you know about yourself as a worker?
