

## **The Lake and Valley Garden Club Scholarship**

The LVGC is a member of the Garden Club of America and has established a scholarship to enhance and reflect the mission of the LVGC. Scholarship amounts vary each year according to applications and funds available.

We look for students who have chosen a career in horticulture or a related field. Our mission states "The object of the LVGC shall be to stimulate interest in the art and practice of gardening, to encourage the protection of native plants, to preserve the beauty of our environment , and to encourage civic planting and beautification."

We encourage your students to look at our Lake and Valley Garden Club website. <http://www.lvgca.org/> Please note, the Garden Club of America ( GCA) offers significant scholarships here and abroad.

To apply complete page 2 of this packet.
