

**Richfield Springs Central School
Parent/Teacher Organization
Senior Scholarship**

The PTO is offering a graduating senior the opportunity to be awarded a scholarship in the amount of two hundred (\$200) dollars. Seniors interested in this scholarship are being asked to complete the following requirements.

- Reflect on your community service experience, as required for graduation.
- In a 250-300 word, typed, double-spaced essay, please thoughtfully respond to the following questions:

Members of the PTO give their time and efforts as a community service to the students and families of RSCS. What services to the community did you complete for your requirement? What impact did your community service have on you and your community, and how do you think you will use the experience in your future?

- The essay submissions are due to the high school guidance office by the second Tuesday in February.
- The winner of this year's scholarship will be announced at graduation.

The PTO wishes ALL seniors good luck and our best wishes for successful and happy futures!
