October 15, 2020

Parents and Guardians,

Today, the District was informed there were two individuals who received positive COVID-19 tests. In coordination with the Southern Seven Health Department the District will be going on Remote Learning until Wednesday, November 4th. This is precautionary and following protocols given by IDPH.

- In-person instruction will resume on Wednesday, November 4, 2020.
- From October 16th-October 28th, students will receive Remote Instruction.
- Parent/Teacher Conferences will be held by virtual conference or phone.
- Meals will be delivered on Monday, October 26th and Wednesday, October 28th. Buses will depart at 10am on those two days.

Obviously, this is not something we wished for, but we prepared for it and have the mechanisms in place to do it for two weeks. This is just a temporary setback, and we still made it a lot longer than 99% of people believed we could. We have been in session for 49 days without interruption. I would say that is a tremendous accomplishment. The District will also be ready to welcome our students back on November 4, 2020.

Sincerely,

Jonathan D. Green
Superintendent
