October 15, 2020

Dear Lawrence County Family,

It is our goal to be transparent with our community, at all times. With this in mind, we have either positive COVID-19 case(s) and/or contacts named in contact tracing to report. As a reminder, a person that tests positive is placed in isolation by the Lawrence County Health Department, which means the person cannot attend school or work until the isolation has expired. Similarly, a person that is named a contact by the Lawrence County Health Department through the contact tracing process will be quarantined, with means the person cannot attend school or work until the quarantine has expired.

INFORMATION:

Number of Positive Cases	Classification	Schools	Grade
0	Not applicable	Not applicable	Not applicable
Number of Quarantines	Classification	Schools	Grade, if applicable
1	Student Option 1: ALL IN @ School student that has immediately moved to Option 2: ALL IN @ Home.	Louisa West	K

All students and staff members have been notified if they are required to stay home for isolation and/or quarantine purposes. As a reminder, social distancing and masking help to mitigate the spread of the COVID-19 virus and also limits the numbers in contact tracing. Stay safe!

As always, thank you for being...

All In,

Robbie L. Fletcher, EdD

The Lawrence County Board of Education does not discriminate on the basis of race, color, national origin, age, religion, marital status, sex, genetic information, or disability in employment, educational programs, or activities as set forth in Title IX, Title IV, or Section 504.
