

October 14, 2020

Dear Fourth and Fifth-grade vocalists,

We would like to invite you to participate in a Hopewell Elementary School virtual choir! Due to COVID, performances have been limited. But technology offers a fantastic opportunity to sing together even when we are physically apart.

You may be wondering how such a thing is possible. Well, if you are interested in singing, you will learn a part from a song from "Dear Evan Hansen" entitled, "You Will Be Found." If you need some help, teachers from Westminster Choir College will be available to help you learn your part. You will then make a video of yourself singing and we will do the rest! Do not worry if you are not sure how to do this. We will explain what you need to do to record once you have learned your part. The result will be members of the HES community (teachers, students, friends), singing together in a virtual vocal experience.

We hope you will consider adding your voice to our virtual choir. If you are interested in joining us, please return this permission form to Mrs. Alford by October 21st.

We are so excited to sing with you,
Dr. Parker and Mrs. Alford
