The parties have an obligation to bargain in good faith as directed by State Law.

Section 5.2.

It is further agreed and understood that the District will consult with the Association, and meet with the Association upon its request, in the formulation of any changes being considered in existing benefits, policies, practices and procedures directly related to work assignments of positions within the unit.

Section 5.3.

It is further recognized that this Agreement does not alter the responsibility of either party to meet with the other party to advise, discuss or consult regarding matters concerning working conditions not covered by this Agreement.

Section 5.4.

In the event of anticipated layoff of classified employees in the bargaining unit subject to this Agreement, the District will consult with the Association concerning the implementation of the reduction in the work force. The parties recognize that the impact of any layoff is a mandatory topic of bargaining.

ARTICLE VI

ASSOCIATION REPRESENTATION

Section 6.1. Labor Management Committee.

The Association will designate a Labor Management Committee of two (2) that will meet with the Superintendent of the District and his/her designated representatives at the request of either party to discuss appropriate matters; others may attend without compensation; provided, however, that when the Association's agenda for a specific meeting includes an issue involving a classification(s) not otherwise represented, additional employee(s) may be included on a compensated basis. The purpose of the meetings is to discuss issues arising in the day-to-day operation of the department. Prior meeting notification will be provided when possible. Meetings will be held monthly, except by mutual agreement of the parties. If outside of their normal work time, employees will be paid up to a maximum of one (1) hour of their regular pay rate. These meetings will not take the place of negotiations. Each party shall be responsible for taking their own notes. The Association may distribute its notes to its members and post on union bulletin boards.

Section 6.2.

The Association representatives shall represent the Association and employees in meeting with officials of the District to discuss appropriate matters of mutual interest. They may receive and investigate to conclusion complaints or grievances of employees on District time and thereafter advise employees of rights and procedures outlined in this Agreement, and applicable regulations or directives for resolving the grievances or complaints. They may not, however, continue to advise the employee

on courses of action after the employee has indicated that he does not desire to pursue a grievance. This does not, however, preclude the Association's right to pursue the matter to conclusion. They may consult with the District on complaints without a grievance being made by an individual employee.

Section 6.3.

Association representatives, when leaving their work to discuss agreed upon Association business shall first obtain written permission from their immediate supervisor. Written permission shall also be obtained from the immediate supervisor of any employee being contacted. The employee will report their return to work to their supervisor.

Section 6.4.

Time during working hours will be allowed Association representatives for attendance at meetings with the District. Time will also be allowed for representatives to discuss with the employees grievances and appropriate matters directly related to work situations in their area or craft. Association representatives will guard against the use of excess time in the handling of such matters. If it becomes excessive, this section of the contract will be opened, and new ground rules established.

ARTICLE VII

Section 7.2.

Any regular or full-time employee who is temporarily transferred from a higher classification to a lower job classification shall retain the higher rate of pay.

Section 7.3.

Any regular or full-time employee who is transferred temporarily from a lower classification to a higher rate classification shall be paid at the higher rate from the time of assignment.

Section 7.4. Work Schedule.

The normal work schedule shall consist of five (5) consecutive workdays, followed by two (2) consecutive days of rest. In the event of changes in the work shift, each employee so affected shall be notified of the change a minimum of one (1) week in advance, except in emergency circumstances. Notification shall include designated times for beginning and ending of the shift. Where feasible, the District shall endeavor to provide additional advance notice of changes in work shift for the convenience of the employee.

Summer schedules and home visitor schedules may be adjusted by mutual consent between the employee or group of employees and the District.

1 In assigning playground duty to available Paraeducator staff, the District will make every effort to
2 distribute such duty on an equitable basis. In inclement weather, playground duty will normally be
3 limited to a maximum of forty-five (45) consecutive minutes, provided exceptions may be made in
4 unusual situations.

5
6 **Section 7.4.1.**

7 The District will add one (1) additional day of work to the classified employees work year; the
8 week before school, with the exception of transportation staff whose additional day of work
9 will be scheduled within the first three (3) weeks before school starts. This additional workday
10 for transportation staff shall be established and communicated before the end of the prior
11 school year. Employees may have the option of working or not working that day, with the
12 exception of transportation staff, for whom the additional day will be mandatory. Those
13 employees who choose to work will be paid their regular hourly rate.

14
15 **Section 7.4.2. Early Dismissal/Late Start.**

16 Employees will work and receive pay for a full day on early dismissal or late start days except
17 when administrative staff is not in attendance. On early dismissal or late start days when
18 administrative staff is not in attendance, employees will be allowed to make up the time with
19 supervisor approval. Approval will not be consistently denied provided legitimate,
20 instructional-focused work can be identified as being available. The administrator may approve
21 make up time on an early dismissal or late start day even if he/she is not in attendance.
22 Employees may also use personal leave, pre-approved comp time, emergency leave, and leave
23 without pay if they do not desire to make up the time.

24
25 **Section 7.4.3. Emergency School Closure.**

26 In the event that it becomes necessary to close or delay the start of schools because of weather or
27 other emergency situations, employees will be notified through local radio stations and/or other

40 Friday).

41
42 Subject to supervisor approval, other regular full-time classified employees shall have the option to
43 work a modified schedule during the summer months and breaks when school is not in session.

44
45 **Section 7.5.1.**

46 The supervisor of Maintenance and Custodial classification employees determines that
47 working four (4) days per week and ten (10) hours per day is a practical option for winter,
48 spring, or summer break when school is not in session.

1 **Section 7.6.**

2 Employees who are hired to work more than one (1) position in the District shall have the opportunity
3 to make-up time that is missed, if/when the District requires an employee to work during the hours of
4 the other position. This make-up time shall be mutually agreed upon between the supervisor(s) and the
5 employee, so it does not cause an undue hardship.
6

7 **Section 7.7. Work Shifts, Lunch Periods, Rest Periods, and Overtime.**

8
9 **Full-time Employees:** The work shift shall consist of eight (8) hours per day, plus one (1) hour
10 uninterrupted lunch period without pay. However, full-time custodial, maintenance and transportation

23 three and a half (3 1/2) hours of work.
24

25 In the assignment of overtime, the District agrees to provide the employee with as much advance
26 notice as practicable in the circumstances. Normally an employee designated to work overtime on
27 days outside the employee's normal workweek will be advised of the possibility no later than twenty-
28 four (24) hours prior to the end of the last shift before the overtime commences. Overtime assignments
29 will be made in relation to the job assignment required to complete the task.
30

31 **Section 7.7.1. Missed Lunch Period.**

32 If the employee is required to work through his/her lunch period, he/she will notify his/her
33 supervisor of the reason, and an equal time shall be provided to the employee later in the shift.
34 If no time is provided, the missed meal period will be compensated at the appropriate rate of
35 pay.
36

37 **Section 7.7.2. Compensation for Overtime.**

38 All overtime must be pre-approved by the immediate supervisor in writing, unless there is an
39 emergency situation, in which case the employee shall have attempted and shall continue to

41 overtime, he/she has the right to be paid at time-and-a-half (1.5) for each hour of overtime
42 worked. The employee also has the option to earn compensatory time in lieu of pay.

43 Compensatory time is accumulated at a rate of an hour-and-a-half (1.5) for each hour of
44 overtime worked. This time may be used in emergencies or scheduled for personal use. The
45 employee has the right to carry forward their compensatory time or cash it out on a monthly
46 basis, but it must be cashed out or used within ninety (90) calendar days of accrual or by the
47 end of the contract year, whichever is earlier.
48

Full-time Employees: Overtime means all hours worked in excess of forty (40) hours per week.

16 any previous bid.
17

18 In the event that the vacancy is temporary, and the original driver is entitled to return to his/her
19 position, the route(s) shall revert to the original assigned driver(s) upon the return of the driver
20 whose absence initiated the bidding procedure. The District will assign a substitute driver to

22 qualifying temporary vacancy.
23

24 Newly created routes, projected to exist more than thirty (30) workdays, shall be subject to
25 bidding procedures in the same manner as routes declared open. In the event of the layoff or

37 routes and runs up to forty (40) hours per week.
38
- 39 3. The District Transportation Supervisor retains the right to assign drivers to routes/runs
40 under unusual circumstances on a case-by-case basis, subject to consultation with the
41 Association. Any such assignment that violates the seniority bidding procedure
42 requires, upon request, a written explanation to the affected driver(s) and the
43 Association.
44
- 45 4. All routes, excluding extracurricular, shall be totaled to establish an average at the end
46 of the day.

13 District does not provide transportation, reimbursement for supervisory-approved travel will be
14 made at the "standard" mileage, calculated at the District's prevailing mileage rate. It is
15 mutually agreed and understood that nothing in this section implies a District obligation to

17 primary work site.

18
19 **Section 7.9.11.**

20 Drivers with any children under an IEP plan shall be entitled to request a Bus Assistant. Upon

The employee will accumulate sick leave on a monthly basis. A new employee who is sick without accrued sick leave shall be on unpaid leave. However, if the employee finished the employment year with accrued sick leave days, the employee may request payment for the days previously unpaid during the year, those days then being deducted from the accrued sick leave. The District shall notify, in writing, employees so affected. Accumulated benefits will be expended on an hourly rather than a daily basis.

At the time of separation from school District employment an eligible employee or employee's estate shall receive remuneration at a rate equal to one (1) day's monetary compensation for each four (4) days of accrued leave for illness or injury. All cash out remunerations shall be at the employee's current salary rate at the time of the cash out. The maximum accumulation for purposes of calculating cash out remunerations shall be one hundred and eighty (180) days.

Section 9.5. Family Leave.

Staff members be provided family leave as provided by state and federal law. Some examples may include, but are not limited to, paternity leave, adoption and/or foster care placement, care of spouse, children and/or parent(s). The employee will cooperate reasonably with the District's efforts to minimize the amount of such leave required and will return promptly to work following release from subpoena or jury duty during the workday. Reasonable time will be allowed for the employee to return to work. In the event that an employee is a party in a court action, such employee may request a leave of absence.

Section 9.9. Leave of Absence.

Upon recommendation of the immediate supervisor through administrative channels to the Superintendent, and upon approval of the Board of Directors, an employee may be granted a leave of absence for a period not to exceed one (1) year. However, provided a vacancy exists for which the employee is qualified; the employee shall be reinstated to a position equivalent in duties, salary and benefits to that held at the time the request for leave of absence was approved. If a vacancy does not exist the employee will be placed on lay-off status and will be placed on the reemployment list as per Section 10.10., below. Provided, however, that the employee will be placed at the bottom of the existing reemployment list, regardless of the employee's seniority level prior to the leave of absence.

The employee will retain accrued sick leave, vested vacation rights, and seniority rights while on leave of absence, as limited by Section 10.5. below. Vacation credit, sick leave, and seniority shall not accrue while the employee is on leave of absence, unless such leave is approved for extended illness or injury. Seniority rights regarding accruing should follow Section 10.5.

Section 9.12. Personal Leave.

Each employee shall be entitled to two (2) days of personal leave with pay per school year. These days will be pro-rated based on newly hired employee's hire date and will be granted upon completion of successful ninety (90) workday evaluation. Such personal leave shall be pro-rated based on the number of days an employee works. Unused personal leave may be sold back to the District at full rate of pay per Schedule A.

Four (4) days of personal leave may be carried over from year-to-year to a maximum availability of six (6) in the year. Three (3) days may be used at any one (1) occasion.
