

ELIGIBILITY POLICY

Students will be ineligible and considered not in good standing. Students will not be allowed to participate in any extracurricular activity (this includes clubs and organizations) for the following reason:

- A student has an F (below a 65%) in the same class for the third consecutive week
 - Passing and eligibility are established when the teacher of the failing class has had time to grade & enter assignments and the grade is a 65% or above.
 - It is the responsibility of the student to show proof of passing status to administration.

Procedures:

- Two weeks with an F (below a 65) in any class, then the third week a student is ineligible for all activities/events until the failing grade becomes passing.
 - The two weeks are considered on an individual class basis. A student would have to be failing the same class for two straight weeks and then would be ineligible if they were failing that same class the third week.
 - Passing is established when the teacher of the failing class has had time to grade and enter assignments and the grade is a 65% or above.
 - It is the responsibility of the student to show proof of passing status to administration.
 - The Early Out list will be run on Tuesday's by 9:00 am
 - Meetings will be held with students that have F's.
 - Ineligibility reports are emailed home weekly.
 - The first report will be run the week immediately following the third full week of the semester (September 12, 2023).
