

October 16, 2020

Please find below a statement from the Galesburg-Augusta Community School District and Kalamazoo County Health & Community Services Department regarding the recent COVID-19 positive test.

Today, the Galesburg-Augusta Community School District learned of a high school student who has tested positive for COVID-19. The student was already in quarantine and the exposure occurred outside the school setting. Therefore, no contact tracing will need to occur.

Total COVID-19 positive cases per building, staff, students and the district totals are now available on our website under "COVID-19 Dashboard."

No closure of any buildings is needed at this time.

Galesburg-Augusta Community School District works closely with Kalamazoo County Health & Community Services Department on all public health recommendations for the district, the specific school buildings, and those identified as affected individuals. As a reminder to parents and guardians:

If your child does is ill, please keep them home. If he/she develops signs and symptoms of COVID-19, they should be kept home, and the parent or guardian should contact their child's Primary Care Physician.

COVID-19 is a contagious viral illness that can occur 2-14 days after exposure to an individual with the virus. Exposure, also known as close contact, includes being within six feet of an infected person for 15 minutes or longer. The virus is spread by droplets in the air and sometimes on surfaces that come inside a person's mouth, nose, or eyes. Based on available evidence, the symptoms of COVID-19 are similar in children and adults. However, children generally show no symptoms or mild symptoms. Reported symptoms include cold-like symptoms, such as fever, sore throat, muscle pain, chills, new loss of taste or smell, feeling out of breath, and cough. Vomiting and diarrhea have also been reported.

It is the policy of the Galesburg-Augusta Community Schools that no discriminatory practices based on sex, race, religion, color, age, national origin, disability, height, weight, or any other status covered by federal, state or local law be allowed in providing instructional opportunities, programs, services, job placement assistance, employment or in policies governing student conduct and attendance.

Complaints or inquiries related to discrimination should be forwarded to:
