

Brunswick Central School District

Student Code of Conduct for

Digital/Virtual Learning

Expectations

1. During remote instruction, students of the Brunswick Central School District will be expected to participate actively in online learning when they are not in school.
 - a. Student contact will be scheduled and coordinated by the teachers so as to minimize overlap.
 - b. If the student is unable to attend class they need to reach out to the specific teacher about any missed work.
2. All data that is composed, transmitted, or received via the Brunswick CSD communication network is considered to be part of district official records and, as such, is subject to disclosure to parents, guardians, administration and/or law enforcement.
3. When students are in front of the camera on a device, they must be in appropriate dress, as outlined in the Brunswick Central School District student handbook.
 - a. Students need to be aware Google Meets have the ability to be recorded for the purposes of educational instruction
4. Respect each student's right to learn
5. Demonstrate respect towards faculty
6. When students are attending a live session, they must mute their microphone so no one student's background noise interferes with instruction or a question directed at another student.
7. Written or verbal dialogue within the classroom will be appropriate grade level language.
 - a. Any form of profanity/vulgarity is strictly prohibited.
 - b. "text language" is unacceptable.
 - c. Communication between student and teacher should be course related
8. Inappropriate behavior will result in the student being muted, parent contact and may result in removal per the standards established under the CHORD Brunswick Central School District policy.
9. Do not cut, copy, or plagiarize online content or the work of your classmates. Doing so or knowingly allowing others to copy from you, and/or misusing Internet content will result in disciplinary action.
 - a. Teachers will be utilizing various technologies to check for authenticity.

Instructional Expectations

1. Teachers will post instructional materials for students to view and learn in Google Classroom or via another district-approved platform.
2. Students will be invited and are expected to join all classes assigned to them and are expected to stay for the scheduled time.
 - a. Access will be provided if technology is not available in the home
 - b. Students should access only classes to which they are assigned.
 - c. Attendance will be kept for all classes, both remote and in-person.
3. Students should contact their teachers through the district email server or through google classroom directly for assistance or with questions about instruction.
4. Students will submit assignments for grading and evaluation purposes.
5. Parent/Guardian questions regarding student success should be directed to the teacher using the district email server.

Disclaimer

1. Failing to comply with any District and/or any local, state or federal laws or the expectations of teachers, principals or other school personnel regarding the health and safety of students, including, but not limited to expectations and requirements of the District, SED, or the DOH during any health emergency situation may result in disciplinary action.
