To our Parents and Guardians,

Texas passed a new law that involves the use of vapes, e-cigarettes, marijuana and THC related products on or within 300 ft. of the campus or at school or school function events. The 88th Texas Legislature passed HB 114 to amend Texas Education Code Chapter 37.006 which made it a **mandatory** Discipline Alternative Education Placement (DAEP) for any student.

We ask you to please discuss this with your child about this new law and emphasize the importance of adhering to all school rules, policies, and laws for the betterment of the school community. Marfa ISD is a zero tolerance campus in regards to drugs and alcohol and now vapes.

Thank you for your cooperation and support to ensure that Marfa ISD remains a healthy and safe school environment. If you have any questions about the new law, please contact the Superintendent's office.

Thank you  
Arturo Alferez  
Interim Superintendent
