VISION: LEARNING TODAY TO BE LEADERS TOMORROW

Attention Potential Andrew-area Youth Basketball Parents & Coaches:

The 2020 - 2021 basketball season is near, which means that it is time to start forming teams and getting practices scheduled. Our goal in the Andrew Community School District is to be able to support as many opportunities as possible for our students to be involved in extracurricular offerings. For this reason, we are reaching out to parents/coaches who we can support in starting or continuing youth basketball teams.

If you are interested in starting a youth team you are encouraged to contact our superintendent, Chris Fee, if you would like any guidance on how to go about starting an Andrew team. The Maquoketa-area YMCA is also a great option that allows for teams to register for league play. The YMCA league will also accept individual sign-ups for students who do not have a team to join.

In the next couple of weeks we will be working with area coaches to reserve Andrew gym time starting November 2, 2020. On the following page, you will find a survey that will help us develop a schedule that attempts to best accommodate everyone's preferred reservation times. As a reminder, preference will be given to teams serving Andrew students.

Please answer all questions to the best of your ability and return it to me by Monday, October 26, 2020. You can return the survey to the Andrew School office or email it to the superintendent. After receiving requests we will develop a schedule and share it with coaches by Wednesday, October 28. After October 26, 2020 you may email superintendent Chris Fee to make a gym reservation on a first-come, first-served basis.

Sincerely,
Chris Fee
