ALL ABOUT ME

I was born and raised in the Philippines. I have been teaching for 13 years and this will be my 6th year with Penasco ES. I got my Bachelor's Degree in Elementary Education in 2005 at the University of the Visayas. In 2016, I pursued a Diploma in Early Childhood Education at Cebu Technological University. I am licensed as a Level II K-8 Certified Teacher.

MY GOAL THIS SCHOOL YEAR

To help all my students achieve growth proficiency by providing them with the necessary tools and resources to succeed and by fostering a safe, positive, and supportive learning environment for all my students to take ownership of their learning and reach their full potential.
