Maxine Abeyta
“Coach Max”

Hello kiddos and welcome back! Let's get ready for a new school year with a goal of having fun, being safe, and learning more about how we can improve our fitness level, learn about teamwork, sportsmanship, and of course; the Golden Rule!

I have been at PISD for 33 years, teaching at the elementary, middle school, and high school. Along with Physical Education, I have taught Health, and Reading, have Coached Volleyball, Basketball, and Track, and did a stint as Athletic Director.

New Mexico Highlands University is where I got my Bachelors Degree in Human Performance and Sport, a minor in Athletic Coaching, Licensure in Education Health, and Special Education. I continued with my education and got my Masters Degree in Integrating Technology in Schools from UNM Taos.

“If you love what you do, you'll never work a day in your life.”
