

Welcome to 3rd Grade

Hello! My name is Allegra Montoya, and I am thrilled to be your teacher for the upcoming school year. As a proud Peñasco graduate, it brings me immense joy to be teaching in this incredible community.

I have been in the teaching profession for four and a half years, and each day has been an exciting journey filled with learning and growth. My passion for education stems from my desire to make a positive impact on young minds and help them realize their full potential.

This year, my goal is to foster a nurturing and inclusive classroom environment where every student feels valued and supported. I am committed to providing both enrichment opportunities and personalized support to ensure that each student can thrive academically and personally

Additionally, I have set an ambitious target for our class: to raise growth proficiency in both English Language Arts (ELA) and Math. I believe that with dedication, hard work, and collaboration between students, parents, and myself, we can achieve this goal together.

I am truly excited about the journey we are about to embark upon, and I can't wait to see the incredible progress and achievements that await us. Let's make this school year one to remember, filled with joy, learning, and the celebration of every success. Thank you for entrusting me with your education, and I am here to support and guide you every step of the way. Let's make it a fantastic year!
