Hello everyone, I am so excited for this school year to begin! I can't wait to get to know each of you and watch you excel in Reading. School is such an exciting time. Our Success For All Goal uses a cooperative-learning model and solid core reading strategies to help each student make gains and feel successful in all of their classes. Thanks to all of you for supporting your child as we start a new year. I have high hopes for a great year as we strive for excellence together.
