GIRLS:

8th Grade:

Payton Wurtz	2 nd	13:24
Isabelle Stuhlsatz	4 th	15:26

Comments: Both girls finished the season with their best races of the year! We're looking forward to adding these runners into our High School program next year. They have the work ethic and positive attitudes that have help build our program. We have a bright future because of runners like these!

Thank you to all the Jr High parents for allowing us to work with your kids. Thanks also to Coach Stott for her help with the team!
