Dear Parents/Guardians,

As we are already aware, this year is far from normal. With students being back in school it has given them a sense of normalcy. With Halloween approaching, we want to continue that trend. Even though Woodmere's Halloween will look different this year, we still want to celebrate the day. On Tuesday, October 27 (Cohort A) and Friday, October 30 (Cohort B), students will be allowed to wear their costumes to school. At 10:30, we will have a mini-parade where the students will walk around the school (practicing social distancing), and it will be live streamed on zoom for parents. A link will be sent out through parent portal so that parents can join and watch the parade.

Please note that parents are not allowed at school this day and there will be no parties and/or food to be brought in. Students still have to wear masks in school and their Halloween mask, does not take the place of this. If a student has a costume mask, they may wear it for the parade. Also, weapons for costumes are not permitted. If you have any questions, please feel free to call the main office.

Thank you,

Kristoffer Brogna
